Subject: Pre-Application by Talquin Electric Cooperative, Inc., for Authorization of a Service Area to Operate a Sewer System serving some of the properties located north of Crowder Road and between North Monroe Street and Wigginton Road

Parcel No. 21-10-51-349-1050

Dear Mr. & Ms. Jones:

This letter is sent to inform you that Talquin Electric Cooperative, Inc. has submitted a pre-application for an authorized sewer service area. The affected area is outlined on the attached location map.

The pre-application was presented to the Board of County Commissioners on April 22, 2003. A public hearing on the pre-application is scheduled to be held in the County Commission Chambers, located on the fifth floor of the County Courthouse, on May 27, 2003 at 6:00 p.m. should you desire to comment on the proposed sewer service application.

If this request is granted by the Board of County Commissioners, the utility company will be obligated to provide sewer service to affected properties within a reasonable period of time once service is requested by the individual property owners. Individual property owners are not required to connect.

If you have any questions concerning these comments, please call at your convenience.

Sincerely,

Joseph L. Brown, III, P.E.
Director of Engineering Services
